

THE KINDNESS ROCKS Project

The goal of this project is simple – to cultivate connections within communities and lift others up through simple acts of kindness!

All you will need for this project are smooth rocks and paint or paint pens. Use your imagination to create unique, colorful, and inspirational rocks! Once the rocks have dried, take a walk around your community and spread kindness everywhere you go!

We encourage you to collaborate with your family to be creative, positive, kind, empathetic, and excited about this project!
